To outsiders, INTJs may appear to project an aura of "definiteness", of self-confidence. This self-confidence, sometimes mistaken for simple arrogance by the less decisive, is actually of a very specific rather than a general nature; its source lies in the specialized knowledge systems that most INTJs start building at an early age.

In philosophy, empiricism is a theory that states that knowledge comes only or primarily from sensory experience. It is one of several views of epistemology, the study of human knowledge, along with rationalism and skepticism.Empiricism emphasises the role of empirical evidence in the formation of ideas, rather than innate ideas or traditions. However, empiricists may argue that traditions (or ...

24-Hour Armor: It's implied he even sleeps in his armor, even when he's staying at his childhood friend's farm. In fact, the only time so far he's seen without it is at the end of the first light novel, when he blackouts after nearly dying from fighting a giant Elite Mook ogre. When he comes to, he's back in his room at the farm, wearing nothing but his undershirt and trousers.
