A History Of Afro Hispanic
In the United States, a Black Hispanic or Afro-Hispanic (Spanish: Afrohispánico), is a person who is racially black and is from Latin America and/or speaks the Spanish language natively. They are officially classified by the United States Census Bureau, Office of Management and Budget and other U.S. government agencies.". Hispanicity, which is independent of race, is the only ethnic category, as ...

Black Hispanic and Latino Americans - Wikipedia
Early history. The first Africans arrived with the conquistadors in 1521, mostly as slaves, and some returned with colonists to settle in 1525. Between 1529 and 1537, when Francisco Pizarro was granted permits to import 363 slaves to colonial Peru, a large group of Africans were imported to do labor for public construction, building bridges and road systems.

Afro-Peruvian - Wikipedia
It is surprising to realize that the Hispanic legacy in American history is a story rarely told in our classrooms. In this issue of History Now, we hope to provide our readers with a broad sampling of the rich and varied stories of centuries of Hispanic participation in the building and sustaining ...

World Culture Encyclopedia
Even though both terms are used interchangeably, there is a difference between Hispanic and Latino. Hispanic is a term that originally denoted a relationship to ancient Hispania (Iberian Peninsula). Now it relates to the contemporary nation of Spain, its history, and culture; a native of Spain residing in the United States is a Hispanic.
