A History Of Women Writing

Women's history is the study of the role that women have played in history and the methods required to do so. It includes the study of the history of the growth of woman's rights throughout recorded history, personal achievement over a period of time, the examination of individual and groups of women of historical significance, and the effect that historical events have had on women.

playboxdesign said.... Trousers are for any one, what an archaic thing to say in this day and age that they are not for women. I have friends who run steam plough engines and work on and fix anything steam and go along to help in any way I can.

History and Women: Women and Pants

Women in Church history have played a variety of roles in the life of Christianity - notably as contemplatives, health care givers, educationalists and missionaries. Until recent times, women were generally excluded from episcopal and clerical positions within the Christian churches; however, great numbers of women have been influential in the life of the church, from contemporaries of Jesus ...
