Christian views of the Old Covenant are central to Christian theology, ethics, and practice. The term "Old Covenant", also referred to as the Mosaic covenant, the Law of Moses, divine law, Biblical law or God's law, refers to the statements or principles of religious law and religious ethics codified in the first five books or Pentateuch of the Old Testament.

Customary law is recognized, not because it is backed by the power of some strong individual or institution, but because each individual recognizes the benefits of behaving in accordance with other individuals' expectations, given that others also behave as he expects. Alternatively, if a minority coercively imposes law from above, then that law will require much more force to maintain...

Locke: Social Order. John Locke's intellectual curiosity and social activism also led him to consider issues of general public concern in the lively political climate of seventeenth-century England. In a series of Letters on Toleration, he argued against the exercise of any governmental effort to promote or to restrict particular religious beliefs and practices.
