Advertising Campaign Design Just The Essentials

An advertising campaign is a series of advertisement messages that share a single idea and theme which make up an integrated marketing communication (IMC). An IMC is a platform in which a group of people can group their ideas, beliefs, and concepts into one large media base. Advertising campaigns utilize diverse media channels over a particular time frame and target identified audiences.

Advertising Campaign - Wikipedia

Advertising Campaign. Some of the best advertising campaigns around the world are: Tap Project ($1 added to the restaurant bill to help UNICEF and since then UNICEF has raised millions of dollars through this project), Budweiser(Wassup), Metro Trains - Dumb ways to Die, and more.

30 Best Advertising Campaign designs from around the world

Advertising is a marketing communication that employs an openly sponsored, non-personal message to promote or sell a product, service or idea. Sponsors of advertising are typically businesses wishing to promote their products or services. Advertising is differentiated from public relations in that an advertiser pays for and has control over the message.
