Against the Odds magazine investigates military history from a broad perspective. The economic, political, religious and social aspects of warfare are examined in concert with events on the battlefield.

Against the Odds
As one of the true legends of mountaineering, Doug Scott has turned surviving impossible conditions into an art form. In 1975, for example, he and a colleague, Dougal Haston, became the first men to spend the night below the summit of Mount Everest. Unfortunately, they did this by accident, after their climb to the peak took longer than expected.
