Multiracial Americans are Americans who have mixed ancestry of two or more races. The term may also include Americans of mixed race ancestry who self-identify with just one group culturally and socially (cf. the one-drop rule). In the 2010 US census, approximately 9 million individuals or 2.9% of the population, self-identified as multiracial. There is evidence that an accounting by genetic ...

This video resonated with me because: I work with an organization that was accused of systemic racism a year ago. It was a hard thing to hear, but that fact is that it was true: we had an all-white board, and predominantly white participants. We didn't mean to, like one of the people said in the video, we weren't a bunch of evil people trying to exclude people of colour.

Prejudice is a broad social phenomenon and area of research, complicated by the fact that intolerance exists in internal cognitions but is manifest in symbol usage (verbal, nonverbal, mediated), law and policy, and social and organizational practice. It is based on group identification (i.e., perceiving and treating a person or people in terms of outgroup membership); but that outgroup can ...
