The Great Human Diasporas The
A diaspora (/daɪˈæspərə/) is a scattered population whose origin lies in a separate geographic locale. In particular, diaspora has come to refer to involuntary mass dispersions of a population from its indigenous territories, most notably the expulsion of Jews from the Land of Israel (known as the Jewish diaspora), the Armenian diaspora, which was largely formed as a result of the...

History provides many examples of notable diasporas. The Eurominority.eu map (the European Union) Peoples of the World includes some diasporas and underrepresented/stateless ethnic groups. Note: the list below is not definitive and includes groups that have not been given significant historical attention.

List of diasporas - Wikipedia
What is life like for IDPs and communities hosting them? Many IDPs in Sudan live in protracted displacement. Some of those living in camps in Darfur have been displaced since the onset of fighting in 2003. Continued insecurity has heightened their vulnerability and prevented them from achieving durable solutions.

Immigrants from India are the second-largest foreign-born group in the United States, after Mexicans. Indian immigrants tend to be far more highly educated and have greater English proficiency than the foreign-born population overall. This Spotlight article offers the latest data on Indian immigrants, focusing on population size, state- and city-level distribution, occupation,
